

Lecturer: Joeya.

Enduring understanding/ 1 sentence summary

dynamic population of ~~is~~ in an island.

What I'm still confused about (How my background might affect my understanding)

different hypotheses can be made

Strengths

interactive activity

Overall Reaction

good.

Weaknesses

lack of critical information

Logistics and organization

great.

Suggestions

difficult to
guess proper hypothesis.
without enough information

What I'd like to learn

model predictions of population,
what factors need to be consistent

Lecturer: *Jolene*

Enduring understanding/ 1 sentence summary

What I'm still confused about (How my background might affect my understanding)

Strengths *great enthusiasm*
great flow
gave it in tiny pieces

Weaknesses *none* ☺

Suggestions

I had fun ☺

Overall Reaction *loved it*
I loved that you
had us do it in pieces

Logistics and organization
perfect

What I'd like to learn

it was great!
I loved the homework

Lecturer: Joelyn

Enduring understanding/ 1 sentence summary understanding population dynamics using Isle Royale

What I'm still confused about (How my background might affect my understanding)

Strengths nice case study using
Michigan example

real data!
good getting us thinking about hypotheses!

Weaknesses

Overall Reaction good way to introduce TOPR, especially
when it's a real world example

Logistics and Organization

Suggestions Make sure to connect
example to general principles

What I'd like to learn next more about Isle Royale!

Lecturer: Joelyn

Enduring understanding/ 1 sentence summary

Dynamic populations of Isle Royale

What I'm still confused about (How my background might affect my understanding)

Strengths

very interactive

Overall Reaction

Loved how it was "local"

Weaknesses

Logistics and Organization

built to a reveal

Suggestions

What I'd like to learn next

Lecturer:

Joelyn

Isle Royale - wolves/moose objectives?

into bio → ecology
popul. dynamics
cooperatives learning

Enduring understanding/ 1 sentence summary

What I'm still confused about (How my background might affect my understanding)

Strengths

enthusiastic
knowledgeable

Overall Reaction

good

Weaknesses

clear objectives
at start would
be good

Logistics and organization

✓

Suggestions

What I'd like to learn

activity - predators wolf/moose predictions
think - pain - shame

Lecturer: Joelyn

Enduring understanding/ 1 sentence summary

What I'm still confused about (How my background might affect my understanding)

Strengths

Very engaging! Good Intro.

Overall Reaction

excellent enthusiasm!
Loved the reveal at the end!

Weaknesses

Pace Fast, but honestly not too fast

Logistics and organization

great organization, like the (HW)

Suggestions

would like a ~~clear~~ clear take-home message

What I'd like to learn

Answered all of my questions

Lecturer: Joelyn

Enduring understanding/ 1 sentence summary

Isle Royal -

What I'm still confused about (How my background might affect my understanding)

Strengths

I learned so much!
I loved it!

Weaknesses

Overall Reaction

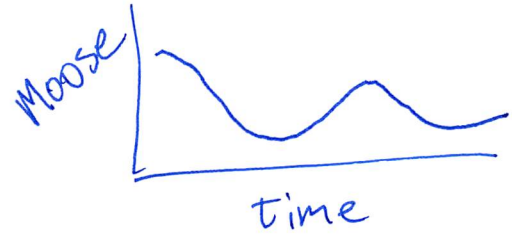

Logistics and organization

Suggestions

What I'd like to learn

Lecturer: *Joelyn*

Enduring understanding/ 1 sentence summary

What I'm still confused about (How my background might affect my understanding)

Strengths

Very active

Overall Reaction

Weaknesses

*May need to scale group sizes
for a larger class.*

Logistics and organization

Suggestions

What I'd like to learn
